[Denver Design Showhouse 2018 - Showcasing the art of Mirada Fine Art!](#)

Mirada Fine Art is proud to be the sole provider of fine art to the 2018 Denver Life Designer Showhome benefiting Habitat for Humanity.

*Denver Design Showhouse 2018 is filled with contemporary art from Mirada Fine Art.*

The 2018 Designer Showhouse is a collaborative effort between *Denver Life Magazine*, Caliber Construction, David Paauw Design, 15 different interior designers and Mirada Fine Art! The organizers hope to raise over \$50,000 for Habitat for Humanity of Metro Denver.

*This 5,488-square-foot four-story, five-bedroom, four-and-a-half bath contemporary home is a brand new build in the Washington Park neighborhood. Each interior designer has volunteered countless hours to their individual room—they have each created a unique space that reflects their personal style while ensuring the house as a whole flows seamlessly together.*
